

Kazimieras Simonavičius
UNIVERSITY

**BACHELOR AND MASTER
STUDIES 2021– 2022**

INVENT YOUR FUTURE

Kazimieras Simonavičius University (KSU), founded in 2003, is an accredited private institution of higher education with campuses in Vilnius and Klaipeda, Lithuania. KSU stands out for its innovative approach to learning and entrepreneurial values.

ENTREPRENEURSHIP

The study programs at KSU place a strong emphasis on fostering entrepreneurial values and skills. The University supports student's start-up ideas and encourages them to create new businesses.

INNOVATION

Lecturers at KSU use innovative teaching methods. Students are encouraged to use the latest modern technologies during studies and project work.

CREATIVITY

There are a lot of opportunities for creativity and self-expression: in all study programs students are taught to integrate scientific knowledge, technological innovation and arts.

Why KSU?

INTERNATIONAL EXCHANGE OPPORTUNITIES

The University has student exchange agreements with over 100 universities all over the world. KSU offers multiple opportunities for students and academics to participate in professional training and educational projects abroad as well.

ATTENTION AND SUPPORT

Small study groups ensure that every student gets personalised attention. First – year students may get personal mentors and tutors. Students throughout the studies have regular consultations on their career prospects.

OPPORTUNITY TO STUDY FOR FREE

Each semester students with a weighted grade average of 9 have the opportunity to study for free the following semester.
